Finally, Plutarch Heavensbee, the Head Gamemaker who had organized the rebels in the Capitol, threw up his hands. "Let her go. Better to waste a day than another month. Maybe a little tour of Twelve is just what she needs to convince her we're on the same side."

The same side. A pain stabs my left temple and I press my hand against it. Right on the spot where Johanna Mason hit me with the coil of wire. The memories swirl as I try to sort out what is true and what is false. What series of events led me to be standing in the ruins of my city? This is hard because the effects of the concussion she gave me haven't completely subsided and my thoughts still have a tendency to jumble together. Also, the drugs they use to control my pain and mood sometimes make me see things. I guess. I'm still not entirely convinced that I was hallucinating the night the floor of my hospital room transformed into a carpet of writhing snakes.

I use a technique one of the doctors suggested. I start with the simplest things I know to be true and work toward the more complicated. The list begins to roll in my head. . . .

My name is Katniss Everdeen. I am seventeen years old. My home is District 12. I was in the Hunger Games. I escaped. The Capitol hates me. Peeta was taken prisoner. He is thought to be dead. Most likely he is dead. It is probably best if he is dead. . . .

"Katniss. Should I come down?" My best friend Gale's voice reaches me through the headset the rebels insisted I wear. He's up in a hovercraft, watching me carefully, ready to swoop in if anything goes amiss. I realize I'm crouched down now, elbows on my thighs, my head braced between

my hands. I must look on the verge of some kind of breakdown. This won't do. Not when they're finally weaning me off the medication.

I straighten up and wave his offer away. "No. I'm fine." To reinforce this, I begin to move away from my old house and in toward the town. Gale asked to be dropped off in 12 with me, but he didn't force the issue when I refused his company. He understands I don't want anyone with me today. Not even him. Some walks you have to take alone.

The summer's been scorching hot and dry as a bone. There's been next to no rain to disturb the piles of ash left by the attack. They shift here and there, in reaction to my footsteps. No breeze to scatter them. I keep my eyes on what I remember as the road, because when I first landed in the Meadow, I wasn't careful and I walked right into a rock. Only it wasn't a rock—it was someone's skull. It rolled over and over and landed faceup, and for a long time I couldn't stop looking at the teeth, wondering whose they were, thinking of how mine would probably look the same way under similar circumstances.

I stick to the road out of habit, but it's a bad choice, because it's full of the remains of those who tried to flee. Some were incinerated entirely. But others, probably overcome with smoke, escaped the worst of the flames and now lie reeking in various states of decomposition, carrion for scavengers, blanketed by flies. *I killed you*, I think as I pass a pile. *And you. And you.*

Because I did. It was my arrow, aimed at the chink in the force field surrounding the arena, that brought on this

【圖書試讀】《衛斯理回憶錄之移心》

葉李華著，三聯書店，2019年

簡介：《衛斯理回憶錄》是倪匡小說的重要衍生作品。葉李華博士以原著的145篇小說為基礎，寫出一個個新舊夾雜的衛斯理式科幻故事，解答原著諸多未解之謎，並連貫主人公的人生軌跡。

葉李華

原本只是科幻小說迷，二十五歲才迷上寫科幻小說。努力讀了一個物理博士，好讓幻想的科學不太離譜。由於太喜歡倪匡，忍不住替衛斯理寫了一套回憶錄。翻譯過艾西莫夫許多作品，經常覺得被他幽靈附身，幸好有衛斯理與之抗衡。
